Int:Internal Medicine, Surg:Surgery, Dent:Dentistry, Ortho:Orthopedics, Opt:Ophthalmology, ENT:Otolaryngology, Derm:Dermatology, OBGYN:Obstetrics and Gynecology, Uro:Urology

NOTE: Most of hospitals will be closed around August 11 to 16, due to a traditional Japanese summer vacation called "Obon". ALL above institutions except Seibo Hospital which has ER Department will probably be closed. If you want to go to a hospital during Obon, it is strongly suggested to call first to make sure if they are available or not.
